*Why Choose*  
**Royal**  
OVERHEAD DOOR, INC.

Providing quality products, offering the shortest lead times and having a network of offices has made Royal Overhead Door the recognized leader in commercial product installation for over 40 years.

Royal offers a complete line of commercial and

industrial overhead doors, hangar doors, dock equipment, electric operators, and all related accessories.

With a large inventory of repair parts, a trained technical staff and 40 years of know how, Royal Overhead Doors supports our customers with dependable installation and exceptional service after the sale.

Because every commercial job is

different – different size, different specifications and different code requirements -- Royal's Commercial – Industrial Division can assist with the best design and specifications for your application.

Our Project Managers, our technical support staff and a trained team of accredited installers are dedicated to providing our customers with the best solution for every job.

In addition to our full line of commercial sectional and rolling steel doors, Royal offers a complete line of industrial specialty doors.

Hangar Doors, Vertical Lift Doors, Four Fold Doors, Impact Doors, and High Speed Doors . . . Royal Overhead

Doors has the right product to meet any specification.

And, we offer a superior solution to your dock equipment needs, offering multiple brands and installing what we sell.

In today's competitive

business environment, one supplier that meets all your needs – before and after the sale – makes Royal Overhead Doors the right choice!

Royal Overhead Doors. Committed to our customers with dependable installation and exceptional service.
